

ASTROPARK WINTER BLOCK BOOKING FORM

The Winter Season of block bookings will commence on the 3rd September 2007 and finish on the 4th May 2008 (35 Weeks).

1. Block bookings will be issued on a strict **first come first served basis**, so it is the responsibility of each member to complete the block booking application form below and return it to Astropark as soon as possible. We have thousands of members so please understand the limited availability. There is no closing date for the block booking applications but we will start issuing block bookings straight away.
2. **Astropark will require a NON REFUNDABLE DEPOSIT OF €65** upon the first night of your block booking; otherwise your slot cannot be secured. **This deposit will be used to pay off the final pitch of your block booking, however if the booking is cancelled prior to the final date your €65 deposit will be forfeited.** Astropark require Credit or Laser card details with each block booking form received.
3. **Members will be able to cancel without receiving a bill providing they give 24 hours notice. Any cancellations inside 24 hours or no shows will be charged to the member's Credit/Laser card. This rule has been enforced from 4th September 2006.**
4. **For those Block Bookings who cancel more then 3 times over the course of the block bookings season, excluding Bank Holidays, Astropark reserve the right to charge for the pitch.**

House Rules:

1. Payment must be made prior to play, if not, members run the risk of the system assuming a no show and cancelling their block booking. If a member does not have full payment, they will not play.
